

## Hotel

Below you'll find a list of hotels located in the city of Rende (CS). These accommodation facilities have an agreement with the University of Calabria.

When contacting individual hotels (by phone or email), guests must **request the discounted rates reserved for participants of the University of Calabria 2026 Summer Schools**.

**NB.** Should you prefer an alternative to the hotels with discounted rates, **we strongly recommend** choosing accommodations located in Rende (CS), in particular in the neighbourhood of "Quattromiglia", which is the most strategic choice due to its proximity to the university. The "Arcavacata" area, where the University is located, is in fact **poorly served by public transport** and **logistically inconvenient** for the Summer School social dinner.
